Every individual has a special life, filled with dreams, beliefs and challenges. There are places, people and activities that are important – things they love, things that have brought them joy. A Celebration of Life shares all of these things - all these memories with both family and friends.

Our Funeral Directors are specifically trained to help understand the needs of your family and we ensure that there is a wide array of choices available. As experienced event planners we can manage all aspects and guest needs, regardless of the location selected.

In addition to the implementation of a personalized theme to honour the memory of your loved one, we can coordinate special activities such as:

- Balloon or Dove releases
- Candle Lighting Ceremonies
- Providing Suggested Readings and Poetry
- Musical Tributes both recorded and through live performance
- Complimentary Photo Tribute
- Memorial Mementos and Keepsakes

As trained, licensed funeral professionals we are more than event planners - we have the ability to assist with the complex emotions and family dynamics that happen during any event that honours a life.

A Celebration of Life can take place at a family home, in the funeral home, at the graveside or any other suitable location.

So no matter where, or how, you choose to honour the life of your loved one, at WARD Funeral homes your memories matter. Contact us today to find out how we can serve you.
